## IMPORTANT NOTICE REGARDING COVID-19

To all our valued customers:

Our business will run as usual unless directed to shut down. Our office will still be taking payments over the phone and answering calls. We ask that you bag up all your trash (all loose trash may be left behind). We do not wish to handle any more trash than we have to under these circumstances. We all need to do our part to keep as safe as we possibly can with this corona virus.

As of right now all routes are on schedule. We are taking precautionary steps to do our part in not spreading the virus.

Sorry for any inconvenience. We will do our best to notify you with any changes.

Sincerely,

J & J Disposal
