YARD WASTE AND BRUSH PICKUP, IS THE FIRST & THIRD MONDAY, APRIL TO NOVEMBER

From the Desk of City Manager Craig Horton,

LET'S GET BACK TO LIFE! Cutting the grass, planting and watering flowers, taking care of the pool, and grilling with friends and family. Life! Listening to the leaves blowing in the wind, the sound of neighborhood children playing, birds actively calling to each other, and squirrels (don't forget the squirrels) milling about. Summer in full swing! We are very excited to have our Alvin Norlin Pool open back up with the addition of the Splash Pad. We hope the community will enjoy it for years to come. We also want to thank Penchura for the smooth and timely completion of the splash pad. They did a great job!

So far, the DDA and Chamber of Commerce have been very busy working on some great happenings for our great community. We are thankful to be able to open our beautiful City and to offer: new Festivals, add more Farmer's Market hours with the Tuesday night Summer Concert Series, Friday Night Bike Nights, a Sesquicentennial Celebration, and much more. Please see the DDA Directors addition to this newsletter for information on up coming DDA events or visit their website at <https://www.icdda.com/events-and-calendar> for information. Check out the Chamber of Commerce website at <https://www.imlaycitychamberofcommerce.org/programs-events> for their scheduled events.

Please note the scheduled July water/sewer rate increases will be reflected on your September utility bill. The Utility Biller will be inserting a notice to this effect in your next utility bill with this information. These increased rates are in line with the rate study that was adopted by the City in 2018. If you would like more information regarding this, please contact City Hall at 810-724-2135.

From our City family to yours, we hope you all have a safe, fun summer full of memories, joy, and laughter.

The **Alvin Norlin Swimming Pool** has gotten a new addition this spring: a splash pad is now a part of our pool facility! Outdoor water park features have been given the ok to run as of the start of June, so for June 5th and 6th we should be fully operational. Our pool is open every day (weather permitting) from June 12th to Labor Day. The pool schedule will be the same as it has been in the past with Saturday Morning; Open Swim time from 10 am to 12 noon, afternoon Open Swim; from 1 pm to 5 pm every day, and evening Open Swim; from 7 pm to 9 pm every day. Water Aerobics will be held from 6 pm to 7 pm on Mondays, Wednesdays and Fridays.

New prices this year: afternoon open swims are now \$4 per person, morning and evening open swims are \$3 per person, and we are keeping the \$1 admission price for three and under, senior citizens and Veterans. Water Aerobics is now \$3. Family Season Passes are \$135, Individual Season Passes are \$60, and Supersaver punch cards are \$35 for 15 visits.

Swim Lessons are available for all ages. The morning lessons begin June 21st and evening lessons begin July 6th. Swim lesson prices have not changed. Detailed information can be picked up at the pool and at City Hall, or find it online at imlaycity.org (search for Alvin Norlin Pool), as well as on our pool Facebook page.

This summer I would like to remind everyone who wants to have backyard campfires to get their burn permit.

Small campfires **MUST** be in a fire ring or an enclosed metal fire pit, per permit. The City of Imlay City does not allow yard clean up burning in the city limits.

We have revamped the whole burn permit website hoping to make it more user friendly. Please stay safe this summer and remember,

if you need us we will be there!

Rick Horton
Fire Chief

I am extremely honored and proud to be your Interim Police Chief. In a short time, I have learned what a great city this is. What I have noticed is how well everyone works together and truly cares for each other.

I feel it is a very well rounded community with plenty of residential, commercial and manufacturing. We also have an excellent Mayor, City Commission, City Manager, City Hall Employees, DPW, Waste Water Department and Fire Department. Lastly, I would like to thank the entire police officers and staff, who have went out of their way to greet me and make me feel comfortable. Imlay City is truly a family and I am so proud to be part of it, even if it will be a short time until a permanent police chief is selected.

Ron Krueger
Interim Police Chief
